# Dubai Law School

## Overview

Your opportunity to study abroad in Dubai for two-weeks! CBL International has partnered with the Higher Colleges of Technology in Dubai to offer you cutting-edge, intriguing lectures by local and international professors, successful managers and CEOs, and lawyers in the fields of local business practices, management, economics, and Arabic business law.

While studying abroad in Dubai, you'll have the chance to travel throughout the city via Big Bus Tours and spend a day in Abu Dhabi, the capital of UAE. See the magnificent Sheikh Zayed Bin Sultan Al Nahyan Mosque, take a safari in the desert, and more!

## Lectures & Company Visits

On top of receiving world-class lectures, you'll have the chance to visit renowned business and law institutions, corporations, and banks to interaction with enterprise representative, lawyers, and managers. We are always adding new locations to our

programmes, therefore, the actual company or institution you visit will be decided closer to the programme start date.

Here we list some of the companies, institutions, and organisations we have been visiting in the past with our delegates:

- Dubai International Financial Center Courts
- Norton Rose Fulbright LLP
- Allen & Overy LLP
- Dubai Chamber of Commerce & Industry
- Dubai Financial Market
- Mediation Center of Dubai Chamber
- Emirates NBD
- Dubai Silicon Oasis Free Trade Zone
- Masdar City
- Fedex
- Abu Dhabi Farmers' Services Center
- DP World

## Excursions to Famous Landmarks

Dubai and Abu Dhabi are part of the United Arab Emirates (UAE). This country is one of the most dynamic regions of the Arabic world. There will be some complimentary sighting offered in both cities to create a

perfectly balanced programme of studying and enjoying the Middle East.

Besides the bus tour in Dubai, the cruise on Dubai Creek, the day trip to Abu Dhabi, the capital of UAE, seeing the Sheikh Zayed Bin Sultan Al Nahyan Mosque (the most important landmark and architectural demonstrations in Abu Dhabi, one of the most memorable and fun activities for our alumni is the desert safari. Riding on a camel. Sand boarding at raging speeds. Watching the sunset. It's something to remember forever.

## Receive College Credits

Not only will you receive one of the most memorable experiences in your life, every week of our Dubai Law School is equivalent to 2-3 ECTS or 1-1.5 US credits. For example you could get for attending a 2-week session, you should receive 4-6 ECTS or 2-3 US credits from your college or university. Because regulations and policies are different for every university, please check with your study abroad or international exchange office for credit availability and procedures.

# Courses & Schedules

*A cutting-edge programme to remember in Dubai, UAE...*

THE PROGRAMME IS DESIGNED FOR UNDERGRADUATE AND GRADUATE STUDENTS WHO ARE INTERESTED IN INTERNATIONAL LEGAL, BUSINESS, AND ECONOMIC TRENDS AND DEVELOPMENTS WITHIN THE GULF REGION AND THE MIDDLE EAST. TOPICS COVERED IN THE DUBAI LAW SCHOOL PROGRAMME INCLUDE:

- Start-Up in the Middle East and Corporate Law
- Commercial and Financial Hub in the Middle East
- Banking in the Middle East and Introduction to Islamic Banking
- Logistics, Aviation, and Hospitality
- Management in the Middle East
- Media & Cultural Management in the Middle East
- Arabic Language Introduction

We have partnered with the Higher Colleges of Technology in Dubai to offer lectures by local and international professors, successful managers and CEOs, and lawyers in the fields of Arabic business law, business practices, management, and economics.

THE PROGRAMME IS APPROPRIATE FOR UNDERGRADUATE AND GRADUATE STUDENTS WHO ARE INTERESTED IN DEVELOPMENTS WITHIN THE GULF REGION AND THE MIDDLE EAST AND INTERNATIONAL LEGAL, ECONOMIC, AND BUSINESS TRENDS.

You'll be intrigued by each and every one of our lectures. With students from all over the world taking part, our Dubai summer school programmes as well as the winter sessions has an international flavor and flair that will keep all delegates on their toes!

## CERTIFICATE & ACADEMIC TRANSCRIPT

A certificate as well as an academic transcript will be issued to the participants, containing topics covered during the programme.

The Dubai Law School is a certificate programme that may be accountable for optional credits depending on the requirements of the home institution, school, or university.

### JOIN DUBAI LAW SCHOOL

Joining our law study abroad programme in Dubai will introduce you to the bustling economic centers of the Middle East, mainly Dubai and Abu Dhabi. Before letting you loose to explore the city, you'll receive a crash course on the Arabic language. Our introductory Arabic course will help you get around the city and equip you with the basic knowledge for learning and enjoying the Arabic culture, customs, and people for the weeks to come.

## Start-Up in the Middle East and Corporate Law

You will learn about the Dubai market. What are the strengths and weaknesses of the Dubai market and where the opportunities are for entrepreneurs.

### Partners and faculty for this topic (selection):

- Norton Rose Fulbright LLP
- Allen & Overy LLP
- Clifford Chance

## Dubai: Commercial & Financial Hub in the Middle East

Dubai is one of the most important commercial and financial hubs in Middle East and North Africa (MENA). It provides a highly sophisticated infrastructure for banking, capital markets, asset

management, private wealth management, and Islamic finance. Additionally, it is a trading hub and a place to do business since more than 100 years. Lots of free-trade zones have been founded in Dubai, and many multi-national companies (MNCs) set up their regional headquarters in the city.

### Partners and faculty for this topic (selection):

- Dubai Chamber of Commerce
- Dubai International Financial Center (DIFC)
- Dubai International Financial Center Courts (DIFC Courts)
- Dubai Internet City
- Dubai Aluminum (DUBAL)
- Booz & Company

## Banking in the Middle East and Introduction to Islamic Banking

Islamic finance is now one of the world's fastest-growing economic sectors. It comprises more than 400 institutions with assets under management in excess of US\$ 1 trillion. Islamic finance refers to a system of banking or banking activity that is consistent with the principles of Islamic law (Sharia) and its practical application through the development of Islamic banking and finance. You will learn about Islamic banking and finance and how it's different from conventional economics.

### Partners and faculty for this topic (selection):

- Dubai Financial Market
- Emirates NBD
- UBS
- Mashreqbank (largest private bank in Dubai)
- NASDAQ Dubai
- JP Morgan

## Logistics, Aviation, and Hospitality Management in the Middle East

Logistics is the management of the flow of goods, information and other resources between the point of origin and the point of consumption in order to meet the requirements of customers. With the famous airline Emirates and its newly expanded international airport, Dubai is already the most important logistics hub in the Middle East. To keep that position it developed in the last couple of years the worlds largest free trade zone including Jebel Ali Port and the construction site of the world's biggest airport, Dubai World Central, with a future yearly capacity of 160 million passengers. You will learn about the importance of Dubai as one of the major logistic hubs worldwide. Dubai is also internationally well known for its highest level of hospitality management. Many 5-star hotels are located here and Jumeirah, the world's famous luxury hotel chain is headquartered in the city. The seven star hotel Burj Al Arab is also located in Dubai. Learn more with us how the hospitality industry is working.

### Partners and faculty for this topic (selection):

- FedEx
- Dubai World Central
- The Emirates Academy of Hospitality Management

## Media and Cultural Management in the Middle East

When doing business in the Middle East, it is wise to bear in mind the great diversity within the region. However, a common religion, language, and culture make the highlighting of general traits and features for the region valid.

### Partners and faculty for this topic (selection):

- The Emirates Academy of Hospitality Management
- U.S. Consulate General in Dubai
- CBL International

## Arabic Language Introduction

Integrated to your study abroad programme in Dubai, you will experience an introduction to the Arabic language. Spoken by over 280 million people worldwide, you will be picking up some basic phrases and expressions. The modules will not only give you an insight into the language, but also of the old and rich Arabic culture.

### Partners for this topic (selection):

- Excellence in Education Language School, Dubai Knowledge Village
- The Emirates Academy of Hospitality Management

# Company Visits

*Interact with professionals in Dubai!*

## TRIPS TO BUSINESSES & CORPORATIONS

It is essential not only to learn the theory of international law and economics but also to understand some of the important practical aspects. Therefore we organise a lot of outstanding visits to Middle Eastern and international institutions, city law firms, banks, corporations, or courts. Previously visited institutions are, among others:

- Dubai International Financial Center Courts
- Norton Rose Fulbright LLP
- Allen & Overy LLP
- Dubai Chamber of Commerce & Industry
- Dubai Financial Market
- Mediation Center of Dubai Chamber
- Emirates NBD
- Dubai Silicon Oasis Free Trade Zone
- Masdar City
- Fedex
- Abu Dhabi Farmers' Services Center
- DP World
- Dubai International Financial Center (DIFC)
- Abu Dhabi Urban Planning Council (UPC)

# 9

**11** MEET THE FACULTY

**PHILIP BREAR**  
**FACULTY, BUSINESS LAW**  
**NATIONALITY: BRITISH**

Philip was born in Yorkshire in England. He moved across the border to Lancashire in 1983 to work as a Senior Lecturer in Banking and Finance at the University College in Salford in their Faculty of Business and Management. In 1981 he became a fully qualified banker having passed his final exams for the professional qualification of 'ACIB' from the Chartered Institute of Bankers in London. It was at this point that Philip was promoted to Head of Foreign Exchange Dept and No.1 Corporate Dealer at Midland Bank IDB North.

After eight years at the University College in Salford, Philip left the UK and moved abroad to Jersey to take up his new position as Course Director of the new 'Offshore Islands Company and Trust Administration Qualification'. After only two years in Jersey, Philip was appointed by the 'Foreign Office' in London as the Technical Cooperation Officer for banking education to work on the Institutional Development Project at the Central Bank of Egypt's new Bank Training Institute, where he became involved in teacher training of local counterparts, writing short courses and course textbooks, and developing professional studies for part-time Egyptian Banking students in the afternoons and evenings.

---

**DR. JAN HENDRIK KRAUS**  
**GENERAL MANAGER, GROUP STRATEGY**  
**EMIRATES NBD**

Dr. Jan Hendrik Kraus joined Emirates Bank in January 2007 as Head of Group Strategy. In October 2007, Emirates Bank and National Bank of Dubai (NBD) merged to form Emirates NBD, the largest banking group in the GCC in terms of assets. After coordinating the integration of the two banks, first as the Head of the Integration Office and later as General Manager Integration, Dr. Kraus became General Manager Group Strategy for the combined entity.

Prior to joining Emirates Bank, Dr. Kraus worked over seven years for McKinsey & Company as a top management strategy consultant in the areas of retail banking, corporate banking, asset management and insurance. He led several international projects with focus on strategy and business building, sales optimization and marketing. He was member of the European Marketing practice with a particular focus on customer insights initiatives. Prior to McKinsey Dr. Kraus worked for Deutsche Bank in Germany.

Dr. Kraus studied Business Administration in Germany and Berkeley, California. He holds a degree from University of Muenster, Germany. He also holds a PhD in Finance for his work on pricing in the mutual fund industry based on insights on customer buying behavior.

**MONICA GALLANT**  
**PROGRAM CHAIR, BUSINESS**  
**NATIONALITY: CANADIAN**

Dr. Monica Gallant originally qualified as a Chartered Accountant in Canada before embarking on a career in education. After teaching for 8 years at a college in Canada, Monica decided to search for a more international experience by coming to Dubai. She joined Dubai Women's College in 1996, first as a Business professor and then as Chair of the Business Department. While in Dubai, Monica developed a great interest in local culture and completed a Doctorate in Education based on a study of the issues facing UAE national women in the work place. This research has been published as a book entitled "Emirati Women in Dubai: Navigating Cultural Change".

In order to overcome cultural stereotypes, Monica founded the annual Insight Dubai conference at the college on the topic of Women's Empowerment in the Arab World. This conference which unites 130 female students from over 35 countries in an intensive, participative format has shown how strong cultural misconceptions can be exploded by stimulating interactions over only 5-6 days.

---

**DR. INDRANI HAZARIKA**  
**FACULTY, BUSINESS**  
**NATIONALITY: INDIAN**

Indrani completed her Master Degree in Commerce with specialization in Accounting and Finance from Gauhati University and was the University topper.
