Why not learn directly from the people involved in the project?

Felix Bindels

Human Resources Advisor for Bierens

"Through ELSA Traineeships we provide our trainees with the opportunity to work and to develop themselves and their legal skills, within an international environment. The relationship we have with our ELSA Trainees is improving in every cycle. We are very satisfied to say that with some of them it was not only a brief good experience but it turned into a long term collaboration with Bierens."

Vera Ugolini

Trainee

"I am really happy that I had the chance to live this wonderful working experience, because thanks to that I could understand what I really would like to do in the future and I could already start building my professional career abroad."

PIERFRANCESCO DE FELICE

Trainee

"The Traineeship programme of ELSA is an unique opportunity for law students and recent law graduates! It allowed me to apply theoretical knowledge in the field of my interest in an international context...even from home. Everyone should try to have a similar experience!"
