Selection Results for the STEP traineeships published on the 5th of November, 2018

Please, have in mind:

- The selection results are at the moment incomplete. We are still waiting for the feedback from several traineeship providers. These traineeships are marked as **delayed**. The selection results will be updated on a daily basis, accordingly to the arrival of the remaining selection results from the traineeship providers.
- If a traineeship has a mark that a **trainee** is selected and notified, it means that the traineeship provider has selected a trainee for this traineeship. All the applicants that were selected have received confirmation e-mails. Therefore, if an applicant has NOT received a confirmation e-mail for this traineeship, it means that he/she has not been selected for it. There remains a chance of being selected in case the selected applicant will not confirm the attendance. In this case, we will inform you by email.
- Some of the traineeships have been cancelled, i.e. the traineeship providers have not selected any trainees or there simply were no applications. These traineeships are marked as **cancelled**.

IMPORTANT ANNOUNCEMENT!

- ! Due to technical problems that we have encountered in the mail server, some of the emails' subject lines were delivered incorrect, nevertheless, the main body of emails are correct.
- ! Due to the same issue occurred in the mail server some rejected applicants or applicants who have applied for a delayed or cancelled traineeship have not received an email regarding their selection results. Nevertheless, all the selected applicants have received an email. Therefore, if you have not received an email it indicates that either you have not been selected for the traineeship or the traineeship you applied for is delayed or cancelled.
