I will be more than glad to explain the entire procedure during individual calls, offering you small online training sessions. For you, your Directors, Assistants or Board members. If you believe that handbooks and written materials is not enough for you, just approach and we will schedule a meeting to discuss all of your ideas and concerns.

To prove that we can be in touch and apply the social distancing principle in the same time I officially announce the start of „BEE evening sessions"! Each second Friday of the month all BEE officers are invited to join online socials. We will discuss the hot topics, share the latest gossips but above all getting to know each other even better.
