I would like to thank all participants once again for their presence and participation in the discussions. Together, we work to ensure that the year of ELSA's 40th birthday will

remain in everyone's memory not only for the celebration of the anniversary.

Time to work together!

I would like to invite you to join the two newly established Working Groups.

Working Group on Hybrid Events

Hybrid events are the future of the projects' world. At present we don't know a lot about them and the lack of experience may significantly reduce the quality of our events. We want to be ready for format changes so we will do what we can do best - research & SWOT!

Deadline: 21/02/2021 23:59 CET

SAVE THE FUTURE!

Remember that we are still collecting applications from those willing to train for recruitment competitions in EU institutions. The training is organised by ORSEU, an entity specialising in preparation for these tests. As part of the cooperation, ELSA members can count on a discount!

Milestones

NEW PARTNERSHIP SERTIFIER

An element of this year's fundraising strategy is finding partners who offer direct benefits and services to our members and officers. I am proud to announce that ELSA has established a new cooperation with a partner that will facilitate the work of our project managers - Sertifier.

- Sertifier is all-in-one education data collection tool that makes smart certificates and open badges easy to issue.
- Every National and Local Group receive the access to the platform - dedicated accounts.
- Officers may issue tailored certificates up to 3000 copies per year (limit refers to each account separately)
- All of the details and clear instructions will be provided to you by my amazing friend, Ilke Yilmaz.

PS. Dear ELSA Turkey, many thanks for sharing this partnership with the Network!

February Open Call

Although we had an active week together at the ISM, firstly not everyone was present and secondly there is never “too many” meetings. Therefore, I invite everyone to our Open Call. We will talk as usual about everything that comes to our mind!

Remember that it's the perfect time and place to ask your questions!

Date: 26th of February, 19:00 CET
