Division of tasks AA-MCC-S&C

- Division of Key Areas into departments
- Categorise activities into areas and not the other way around
- Unnecessary division of same academic tasks between areas
- Creation of Academic Competitions Area

- Strengthening cross-area cooperation
- More cross-area projects

- Redefine and revise Flagship projects

Division of tasks AA-S&C

- Move Delegations to AA
- Better/more logical definition of AA and S&C areas
- Merging AA and S&C into one big educational area
- Merging AA and S&C on the local level
- Cut some AA and S&C projects

Division of tasks AA-MCC

- Create Academic Competitions area
- VP MCC should handle both JHJMCC and EHRMCC
- VP MCC to handle JHJMCC and ENC
- Change of JHJMCC and EHRMCC calendars so VP MCC can handle both
- Split the responsibilities of organizing the EHRMCC between the VP AA and the VP MCC of the IB

- If situation stays the same, rename VP MCC to VP JHJMCC

IB & EIT

- More responsibility to the EIT
 - Delegating to the EIT more
 - Establishing EIT departments for all flagship projects
 - EIT to run projects, IB to coordinate and supervise
 - EIT to run projects, IB to communicate with partners
-
- Transition EIT together with IB

Miscellaneous

- More handy materials
- More communication
- Talk with partners about which projects we should run and do those
- Better transition (IB to make sure that NGOs had one)
- Combine SV and IV
- ILRG and ELR under the same umbrella
