General rules

Make a list of priorities.

Remember that partners and email account credentials are not enough.

Teach but do not force your opinions.

Try to create an honest, partners' relation.

Observe and adapt.

Online reality

- Use apps available online: Miro, Google Jamboard, Mural, Padlet, Slido, Mentimeter
- Divide content carefully, plan in advance
- Change the surroundings as often as possible
- Do not forget about “human” part

Your turn!
