

Let's talk about projects

I Online International Strategy Meeting

11th of February 2021

The European Law Students' Association

Warm-up

The European Law Students' Association

Question 1

Do you think that we have projects that don't have purpose or meaning?

elsa

The European Law Students' Association

Question 2

Do you think that we need to restructure some of the projects? Their scope, governance?

elsa

The European Law Students' Association

Question 3

Do you think that current structure facilitates the process of organising projects?

elsa

The European Law Students' Association
