“OUR PARTNERS SAID”:

LexisNexis:

“In January 2019, LexisNexis Legal & Professional, a leading global provider of legal, regulatory and business information and analytics that help customers increase productivity, improve decision making and outcomes and advance the Rule of Law around the world, was delighted to come on board as the Legal Technology and Rule of Law Partner of ELSA. Over the course of the year, it has been a pleasure to work with leadership, get to know ELSA better, and especially to have the opportunity to participate in the 2019 ELSA Rule of Law Advocacy Campaign. We look forward to engaging with ELSA and its members in the future, to help further our mission and purpose to advance the Rule of Law around the world.”

The Queen Mary University of London:

“It’s a great pleasure to witness and work closely with every new leadership team at ELSA International. Each year we are continually impressed with the standard and quality delivered, with the key aim to further, grow and strengthen ELSA. Each new team brings something unique and valuable to ELSA international leaving their own stamp at the end of each term. We have observed that the 2019 ELSA team has a particular drive to launch new innovative ideas for the development of ELSA, benefitting both its members and partnerships showing a true sign of an evolving and relevant organisations”.
