

# Overview over PD Open Calls

The following is an overview of the Open Calls for the Professional Development Area for the term 2026/2027. The Open Calls are scheduled at 18:00 CET. Be mindful that changes to both the topics, the dates and the time might occur throughout the year.

| Nr. | Date              | Topic                              | Meeting Link                                                                              |
|-----|-------------------|------------------------------------|-------------------------------------------------------------------------------------------|
| 1.  | 17 August 2026    | Introductions                      | <a href="https://meet.google.com/fpc-ysvf-mvh">https://meet.google.com/fpc-ysvf-mvh</a>   |
