# The Website

---

- Camscape → Provider
- Rules + Traineeship offers
- [Traineeships.elsa.org](https://traineeships.elsa.org)
- What do you want to see else on the website? (as section)

# STEP Online System (SOS)

---

- Camscape → Provider
- Linked to the website
- All forms appear there
- Access for LGs, NGs and TNPs
- A lot of functionalities
  - Login
  - Forms creation, modification and approval
  - Campaigns of Matching
  - etc

# Searching for new providers

---

- A lot of bugs with Camscape and they are not really responsive

→ Trying to search and to create a new website and a new platform, as well as new websites in general for ELSA

- Most providers are really expensive but we have some good options that we are currently exploring

→ New provider means re-evaluating the functionalities we have

- 20 min
- Think about functionalities you would want to have on both the website and the SOS
- List them in three categories
  - Trainees
  - TNPs
  - Officers
