Points scored

1st Rank 2nd Rank 3rd Rank 4th Rank

Discussion

- What do you think about this ranking?
- If you needed to choose right now, what would be your favourite option?
- Do you have any other suggestions?
- How and when should we implement it?

Minimum remuneration

Article 4.1 :

“ d. Traineeships shall provide remuneration in monetary and/or non-monetary form in the amount covering at least the general costs of living in the respective country. Remuneration shall be provided by the Traineeship Provider and/or the hosting National Group, and/or ELSA International;

e. Traineeships may be unpaid at the discretion of ELSA International if:

- i. The Traineeship Provider mainly employs volunteers;
- ii. Providing remuneration to Trainees is prohibited by law; or
- iii. The benefit to ELSA outweighs the lack of remuneration.”

Discussion

- Do you think we should revise the exceptions?
- Do you think we should have a minimum remuneration ?
 - If yes, for all Traineeships, even the exceptions?
 - If yes, how much?
- What about the advantages ?
 - Should we keep them?
 - Add some?
- What about the online Traineeships?

Conclusion

"Don't jump to conclusions"
